Other attraction is the Open Air Street Craft Market. Otjiwarongo is the economic hub and administrative Capital of the Otjozondjupa Region. There is an area around Otjiwarongo known as Cheetah world. Two famous cheetah sanctuaries are found and are located in this area. Namibia has the largest population of cheetahs which are approximately 3000 in the country. The other attraction is the Waterberg Mountain/Plateau and National Park and some of the very big privately owned game parks are found in this area Another highlight as an attraction, namely the extinct Dinosaurs Tracks, are found on one of these reserves. Outjo is the gateway to Etosha National Park. The national Park is famous for free roaming animals who have the right of way in the park.

The activities on this trip are found in the four Regions of the Land of the Brave, namely, Khomas(Windhoek), Otjozondjupa (Otjiwarongo), Kunene (Outjo & Etosha) and Oshikoto (Tsumeb, Etosha & Lake Oshikoto). The characteristics of the city and towns en route this trip, in a nutshell, are as follows: Windhoek is the capital of the Khomas Region and of the country. The town of Okahandja is known for the historical events/ developments which had taken place in/or around the town and in addition it is also referred to and regarded as the garden town of the country.
